From the President

Hello to everyone,

I hope you have had a great summer. I know it has been a hot one. Try and stay cool, the Fall is coming.

Good news! As I said when I became president, one of my goals is to grow our organization. To give you a comparison to last year, our current membership is 3094 members compared to last year of 2999 for a difference of 95. That is fantastic and we are still working on increasing our membership.

Our board met August 13, in Columbia and have been working diligently on putting our Fall Conference into place. With input from everyone it has finally come together. Our keynote speaker is Bruce Boguski. He is an author, motivational speaker, trainer, columnist, and media personality well known for his ability to inspire others to "do the impossible". Bruce knows first-hand the attitude and skills required to overcome physical and mental challenges. At 18, he was paralyzed as the result of an automobile accident. While doctors were wondering whether he would ever walk again, he was busy recuperating. Two years later he had regained full use of his body and went on to become a two-time state champion in racquetball, football and baseball coach at Van Buren High School and the men's and women's coach at the University of Findlay.

Today Bruce is President of The Winner's Edge, a peak performance consulting firm in Findlay, Ohio. He has become an internationally known presenter of motivational tactics and mental toughness training for education, sports, business and life. I am sure you will find him interesting and enjoy your day.

Also, we are currently planning the Spring Workshop to be held April 28th. 2020.

The Volunteers' Prayer

Lord may you smile upon me
That I with an open heart give
My time and help my fellow man
By doing what I can, with love
Lord may you be pleased with me
And let me be aware
To not judge others
But to feel joy in giving care
Lord let me always know
That each little act of kindness
And the small tasks I do
Are acts of grand proportions
And are reflections of you
Thank you Lord for letting me have
In my heart, soul and mind
The wisdom and the knowledge
Of the power of being kind
And thank you for the opportunity
that I encounter every day
To give my smile or kind word
To empower another's' way
For we are all linked to each other
And with your grace from heaven above
Guide me to follow your footsteps
And shine through my heart and life
Your love

Greetings to All

The past recent months have been particularly turbulent times for our nation. We have to stay positive and always aware of our surroundings. I wish you good health and happiness as we enter the holiday season.
