South Carolina Student Passport Initiative Program Objectives

- Standardize nursing student orientation content state wide
- Develop an online central orientation
- Provide an annual orientation “passport” to students that will be accepted by all hospitals within SC to decrease time duplicating orientation
- Increase faculty and student time in patient care areas

South Carolina Student Passport Initiative Program Objectives

- Decrease faculty and hospital staff time coordinating clinical orientation
 - Time is considered money!!
- Online access to facility specific orientation
- Develop an online tracking mechanism for record keeping

careLearning

- **careLearning** is a non-profit company that offers elearning courses
- **careLearning** is operated by more than 40 state hospital associations and the American Hospital Association

careLearning

- **careLearning** was chosen as a 2011 Learning 100 Award winner by "eLearning Magazine."
