THANK YOU FOR
YOUR CONTINUED
SUPPORT OF
HAPAC!

WHAT IS HAPAC?

HAPAC is a non-profit, non-partisan political action committee. HAPAC provides the state's healthcare workers a link, and more importantly, a voice, both at the state and federal levels. HAPAC is regulated by the SC Ethics Commission and operates in complete compliance with state and federal election laws.

WHAT DO MY CONTRIBUTIONS DO?

- Supports candidates who are receptive when we speak with a unified voice on issues of concern related to health care. There is strength in numbers.
- Encourages active participation in the political process.
- Holds policy makers accountable for their position on health care issues.
- Promotes discussion of health care issues between the provider community and those who make public policy.

WHAT IS HAPAC'S ROLE?

The Hospital Association PAC supports political candidates for the South Carolina Legislature as well as statewide officials who are willing to protect public policies that preserve vital healthcare services. Your contribution supports lawmakers who not only understand these issues, but are willing to make a difference.

Your HAPAC contribution also reaches federal candidates whose decisions affect South Carolina Hospitals. A portion of qualified HAPAC contributions are transferred to the American Hospital Association Political Action Committee (AHAPAC) to support South Carolina's congressional delegation.

HOW ARE THE FUNDS SPENT?

HAPAC is governed by a Board of Directors, represented by SCHA member hospitals, who determine the guidelines in which a candidate must fall to receive funding. These guidelines are based on qualifications, electability, responsiveness, and recommendations from the hospital community.

MESSAGE FROM THE CHAIR

Dear Colleague:

As new leadership takes the reins in Columbia and Washington with healthcare positioned as the primary issue for congressional action, it's more important than ever that SC hospitals remain relevant in the legislative process. The South Carolina Hospital Association Political Action Committee (HAPAC) is an integral piece of ensuring effective legislative advocacy, and your support in 2018 is critical to the success of our industry.

I'm honored to serve as the 2018 HAPAC Chair as we work to build relationships with state and federal officials and educate them on important healthcare issues that impact our hospitals and health systems.

This is an important year for federal and state healthcare policy and there are a broad range of important issues on our legislative agenda. Your support of HAPAC combined with the efforts of our grassroots program and personal relationships with elected officials ensures the success of our top legislative priorities.

I urge you to support HAPAC and help us meet our 2018 goal of \$125,000. Thank you for your continued support and we look forward to a successful fundraising year. If you have any questions or would like any additional information, please contact Carmen Goulet at cgoulet@scha.org or 803.744.3523.
