GENERAL INFORMATION:

Purpose

Advance the preparedness, coordination and collaboration of our community healthcare organizations, response partners and public health providers to achieve SC CAM goals.

Objectives

- Exchange information that supports recovery planning with an emphasis on health care system strengthening, coordination and leveraging of resources throughout South Carolina
- Enhance the development of community partners to plan and advocate for the rebuilding of South Carolina's public health, medical and special needs population
- Enrich the resiliency in South Carolina communities by developing appropriate recover and response plans for health and social systems that can be activated before, during, and after a disaster

Special Needs

The SC Department of Health and Environmental Control wishes to ensure that no individual with a special need is excluded, denied services, segregated or otherwise treated differently from other individuals because of the absence of auxiliary aids and services. If you need any of the auxiliary aids or services identified in the American with Disabilities Act, please contact Kim Wooten at kwooten@scha.org or 803.796.3080.

Cost of Program and Funding

There is no cost for attending the program. Funding for this program is provided by the U.S. Department of Health and Human Services' Office of the Assistant Secretary for Preparedness and Response (ASPR), National Healthcare Preparedness Programs – National Bioterrorism Hospital Preparedness Program.
